

Jakari

I am JaKari . I came into Mrs. Fields' class in the middle of the year. She says I added humor to the class. I agree. A few of my accomplishments this year include:

- Putting techEteens on [facebook](#)
- Designated [techEteen Twitterer](#)

I plan to go to the Naval Academy in Maryland.

Classroom Ideas

Grades 3 - 5 | Lesson Plan | Standard Lesson
[A Musical Prompt: Postcards From the Concert](#)
Students won't miss a beat in this musical lesson that combines listening with personal response on a postcard.

Grades 3 - 6 | Lesson Plan | Standard Lesson
[Color My World: Expanding Meaning Potential through Media](#)

Using different writing/drawing materials (e.g., markers, color pencils, pastels, etc.), students learn how to communicate different moods and/or feelings to support their written ideas and how authors do the same through their work.

Grades 6 - 8 | Lesson Plan | Standard Lesson
[Learning Clubs: Motivating Middle School Readers and Writers](#)

Students participate in learning clubs, select content area topics, and draw on texts—including websites, printed material, video, and music—to investigate their topics, and share their learning using similar media.

Grades 9 - 12 | Lesson Plan | Standard Lesson
[Exploring Consumerism Where Ads and Art Intersect](#)

Students add up the effect of images and persuasive language to analyze the art and words in advertisements.

Grades 5 - 8 | Lesson Plan | Standard Lesson
[Book Report Alternative: Glog That Book!](#)
In this alternative book report, students identify the elements of fiction in books they have read by creating glogs, interactive multimedia posters, and then share their glogs.

Grades 5 - 8 | Lesson Plan | Standard Lesson
[Glogging About Natural Disasters](#)
After researching various natural disasters, students share their findings with each other using glogs, or through poster presentations.
